Application and Guidelines

Application Deadline is September 23, 2024

The Women's Giving Circle of McKean County is a society of philanthropists who work collectively to address and support issues that are important to women.

- Awards may be considered for new projects, or to enhance well-established programs. Priority will be given to projects that support issues that are important to women and enhance the quality of life for families in McKean County. Awards may also be considered for start-up funds.
- Awards are limited to tax-exempt organizations, including nonprofit organizations in good standing, as defined by the Internal Revenue Service Code Section 501(c)(3), schools, or municipalities.
- Organizations may apply for funding annually. Projects will be funded for one campaign only, unless there are extenuating circumstances.
- Requests must not duplicate the work of other local organizations, and must prioritize sustainability. Projects that work cooperatively to support community efforts will be considered.
- Awards to individuals are not eligible. Capital campaigns or endowment funds are not typically considered for funding.
- Requests for award amounts up to \$2,000 will be considered. Awards of less than the full amount requested may be granted. Matching funds may be required as well as challenge grants for additional funding.
